

Apprenticeship Grant for employers

You could receive a grant worth £1,500

The Apprenticeship Grant for Employers will award £1,500 to eligible businesses*, who commit to employing an apprentice, and who have not taken on an apprentice in the last 12 months.

Priority will be given to businesses with less than 250 employees, however grants are available for those with up to 1,000 employees. The apprentice must be aged between 16 and 24, employed for a minimum of 30 hours per week and be paid the Apprenticeship Wage, of at least £2.65 per hour. If the apprentice is aged 19 or above and has completed the first year of their Apprenticeship programme, the employer must pay the apprentice the National Minimum Wage appropriate for their age group.

Businesses can claim this grant for up to 10 apprentices. However, the employer must confirm at the beginning of the recruitment process, how many apprentices they are going to employ and when.

Receiving the grant is easy... We will process the claim for you and you will receive one £1,500 grant payment when the apprentice has completed 13 weeks of the Apprenticeship programme.
